SUMMARY

MERN Stack and Next.js Developer building scalable, responsive, and performance-focused web applications. Experienced with Next.js App Router, server-side rendering, React, Supabase, Prisma ORM, Dockerized environments, REST APIs, JWT authentication, and MongoDB. Strong interest in thoughtful interface design, reliable data workflows, and shipping production-ready products.

WORK EXPERIENCE

Next.js Developer

2026 — Present

Tecnots

Kerala, India

- Developed scalable Next.js applications using the App Router and server-side rendering (SSR).
- Built Supabase data workflows and integrated Prisma ORM for reliable application data access.
- Worked with Dockerized development and deployment environments.

MERN Stack Developer Intern

2025 — 2026

Futura Labs

Kerala, India

- Developed full-stack applications using MongoDB, Express.js, React, and Node.js.
- Built responsive user interfaces with React and Tailwind CSS.
- Implemented REST APIs and JWT authentication for secure application workflows.
- Collaborated with Git-based development workflows.

PROJECTS

Full-Stack Developer, SkillXchange Platform

skillxchange-now.vercel.app

- Built an AI-powered skill exchange platform connecting learners and mentors through smart matching and real-time interaction.
- Integrated MERN, Cloud Functions, AI matching workflows, and real-time chat capabilities.

Full-Stack Developer, AI Shop Chatbot

shop-chatbot.vercel.app

- Built a chat-led e-commerce platform for natural-language product search and order placement.
- Integrated AI intent detection, Stripe payments, and Cloudinary media workflows.

Frontend Developer, AniHub - Anime Explorer

anihub-six.vercel.app

- Built a React anime discovery platform with trending listings, character information, and news.
- Integrated the Jikan API and Axios for responsive data-driven browsing.

Frontend Developer, Animated Portfolio Website

animated-portfolio-xi-six.vercel.app

- Built a scroll-based portfolio experience with canvas atmosphere, responsive layout, and motion-led presentation.
- Worked with Next.js, Canvas, and Framer Motion.

EDUCATION

Kannur University

Kerala, India

B.Sc. Computer Science

2025 — 2025
